Clorox™ Alexa Tabletop True HEPA Air Purifier

When it counts, trust Clorox™

This small room air purifier will help provide protection from harmful allergens, pet dander, and dust as well as reduce viruses and bacteria from the air.* Breathe easier knowing 99.97%** of allergens and particulates are being pulled into a two-part filtration system.

Connected Technology

Control your air purifier by using the Alexa® App and Voice Integration services. Make air purification a daily routine in the Alexa app so it will keep your air cleaner all day long. Once paired you can use simple voice commands to turn your air purifier on or off, control fan speed, check indoor air quality from another room and find out when your air filter needs replacing. Get automatic filter replacement using Amazon's Dash Service so you never have to worry about running out.

Two-Part Filtration

The 360° filter captures air particles and allergens with a double layer of protection. The pre-filter and the True HEPA filter work together to remove particulates as small as 0.1 micron or larger in rooms between 80-200 square feet. Includes one Clorox™ filter that lasts 6-12 months.***

Sleep Easier

Get a good night's sleep by using the Whisper Quiet™ setting and selecting your desired night-light brightness of bright, dim or off.

Programmable Settings

Customize air purification to a room or a season with three different fan speeds and three timer options. When the fan speed is set to the highest setting, the air purifier will change the air in a room 80 square feet five times an hour or twice per hour in a room up to 200 square feet.†

*Reduction of viruses and bacteria as air passes through the filter. Actual % of reduction varies. Does not kill viruses or bacteria. ***Cleaning effectiveness and filter life vary by air quality. † Based on independent CADR testing, when operating on highest fan speed. Suggested room sizes assume closed room with 8 ft. ceiling.

***99.97% effective in capturing particles as small as 0.1 microns that enter the true HEPA filter.

DETAILS

Model: Clorox™ Alexa Tabletop True HEPA Air Purifier (11021)

MSRP: \$119.99

Filter Replacement (12020) MRSP: \$29.99
